PAYE Modernisation

Certificate Types in PIT

Version Date **06/03/2026**

Latest Version History

Version	Change Date	Change Description
0.01	06/03/2026	Document published

Audience

This document is for any software provider who has chosen to build or update their products to allow for PAYE Modernisation.

Document context

This document provides a non-technical overview of the cert types and permissions in PIT. This document is designed to be read in conjunction with rest of the Revenue Commissioners' PAYE Modernisation documentation suite including the relevant technical documents.

Certificate Types in PIT
